**-Ellenville Million Grant Matching Contract-
Cornell Cooperative Extension – STEM Mentoring Programing**

Chair Julie Cohen-Lonstein explained that upon reviewing the proposed contract, it appears to contain language that describes the STEM programming specific to girls and youth of color who reside in Ellenville

and Wawarsing. Chair Lonstein understood from the presentation to the UCEDA members made by Melanie Forstrom, 4-H Youth Development Program Leader of Cornell Cooperative Extension at the last meeting, that the program was open to all STEM youths who reside in Ellenville and Wawarsing.

It was subsequently confirmed that the proposed contract correctly reflects a grant match on a one-to-one basis. (A copy of the draft contract is on file.)

-Ellenville Million Economic Development Fund- Yoga Vida Application

Michael Patton, owner of Yoga Vida joined the meeting via phone conference to discuss the application of Yoga Vida LLC which was before the Board for their consideration. Mr. Patton explained that he under contract for the purchase real estate located at Lundy Road in the Town of Wawarsing and a March closing is anticipated.

Timothy Weidemann referred the members to page "2" of the Application which shows the total award amount as itemized and calculated to be t \$21,040.00.

In response to an inquiry made by Chair Julie Cohen-Lonstein as to how soon after closing will operations be started, Mr. Patton stated that he anticipates construction within a couple of weeks following the closing and an opening expected by mid-summer.

Mr. Patton also reported that local people exclusively have been hired for construction, legal and engineering jobs thus far. It is his intention to hire local people for labor improvements and maintenance and hire as much local labor as possible depending upon their skill set.

At Mr. Rodriguez's request, Mr. Patton offered information as to the number of current full-time employees in New York City and their wages. Ms. Holt stated that the applicant has provided confidential information regarding employment, payroll, financials, etc., and advised Mr. Rodriguez that he may review the same after the meeting since under the Open Meetings Law, if the documents were presented during the meeting, they would be subject to review by the public as well.

Board Counsel, Jennifer Clarke, suggested that if the Board members wish to review any of the confidential information, they would need to move into Executive Session for that purpose.

Ward Todd interjected to point out that with respect to this project, the outline contained on the last page of the application seems to address the concerns raised.

Motion: Julie Cohen-Lonstein, seconded by Kenneth Crannell, moved to accept the application submitted by Yoga Vida LLC and to go forward with the preparation of a Contract. (A copy of said application is on file.)

Discussion: Mr. Rodriguez wished to reaffirm that the amount sought by the applicant was \$21,040.00.

Vote: The motion was adopted.

The discussion resulted in no change to the original motion.

Mr. Rodriguez made a request to speak before moving onto the next matter on the agenda. He suggested the need to have a procedure in place to monitor the financial reserve as subsequent applications are received and reviewed. Chair Cohen-Lonstein asked that Mr. Rodriguez offer a format and present it to the Board for their consideration.

Lynne Archer previously addressed the Board and commented on the PCT Training. She gave a scenario of hiring someone who passes the interview process subject to their passing the exam; therefore you would be making an investment in someone who you knew you would be hiring.
