Applicant is the:  Proposed New Business  Existing Business

What type of business are you proposing: medical transportation

What do you do now? I am unemployed.

I want to become a productive member of our community.

What type of business experience do you have? Have you started a business before?

I have been researching how to start a business I went to business seminar, I sat with business counselor at Business office in Kingston. I have received my business certificate, I have my E.T.V.# I sent application to Medicaid to become a Medicaid transportation provider. I have everything in place to begin my business. Need financing.

**PROJECT DESCRIPTION**

Please briefly describe what you intend to use the grant funds for, if awarded. Include a description of special finishes and your fit-out as well as an early projection of the costs of the project. Attach additional sheet as necessary.

van to transport patients - \$10,000.00 - 15,000  
computer - \$500.00  
printer/fax machine - \$200.00  
flyers/business cards - \$300.00  
1st payment for hivery/taxi ins. - \$400.00  
Total needed - 26,000 - ~~25,000~~

Why is this business appropriate and consistent with the business climate of the Village of Ellenville and/or surrounding areas?

I have been researching the needs for safe, dependable, transportation for medical appts. especially for the elderly. Our community has a lot of elderly, non-drivers that have medical transp. needs.

How many jobs will this project create?

I am starting alone as a sole proprietor. I plan to employ 2-5 drivers in next 3 years.

What gives you the confidence this is a project you can undertake successfully? Do you have any partners? If yes, please identify them.

I am confident in my ability to carry out this business venture. I have started the footwork and am ready.

Tell us why you believe you can open by December 2018?

My goal is to be up and running by then. I have everything in place to begin by Sept. 2018. Need funding.
