Subject: 9/9 Board of Health
Date: Friday, September 6, 2019 10:35:00 AM

Hello –

Due to the low attendance, Monday's Board of Health meeting is cancelled.

Dr. Woodley has asked that an eVOTE is conducted to approve this season's flu vaccine rates. He also asked that a unofficial meeting is scheduled with the Board to discuss the following:

- Review of commitment requirements as a Board member
- Responsibilities of the Board to support the work of UCDOH
- Responsibilities of the Board to support the community
- Board vacancies.

The eVOTE and the meeting doodle poll are both forthcoming. Please respond accordingly. Thank you and have a good weekend.
