PURCHASER agrees to take the Subject Property "as is", and in its present condition, subject to any deterioration of any kind, nature or extent, between the date hereof and the Closing Date. SELLER shall have no obligation to make any repairs to the Subject Property of any nature or description between the date hereof and the Closing Date. The provisions of this Section 11.4 shall survive Closing.

ARTICLE XII

12.1.1 Failure of PURCHASER to proceed to Closing when and in the manner required to do so under the terms and conditions of this Agreement and/or to pay the Purchase Price in the amounts and at the times herein set forth;

12.1.2 The failure of PURCHASER to pay any sum to SELLER required to be paid by PURCHASER under this Agreement (other than the Purchase Price) when the same shall become due and payable and such failure shall continue for thirty (30) days after notice from SELLER to PURCHASER;

12.1.3 If PURCHASER shall admit, in writing, that it is unable to pay its debts as they become due;

12.1.4 If PURCHASER shall make an assignment for the benefit of creditors;

12.1.5 If PURCHASER shall file a voluntary petition under the Bankruptcy Code of the United States, or if such petition shall be filed against PURCHASER and an order for relief

shall be entered, or if PURCHASER shall file a petition or an answer seeking, consenting to or acquiescing in, any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future Federal bankruptcy code, or any other present or future applicable Federal, State or other bankruptcy or insolvency statute or law, or shall seek, or consent to, or acquiesce in the appointment of, any trustee, receiver, custodian, assignee, sequestrator, liquidator or other similar official of PURCHASER, or of all or any substantial part of its properties;

12.1.6 If within ninety (90) days after the commencement of a proceeding against PURCHASER seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future Federal bankruptcy code or any other present or future applicable federal, state or other bankruptcy or insolvency statute or law, such proceeding shall not be dismissed, or if, within ninety (90) days after the appointment, without the consent or acquiescence of PURCHASER, of any trustee, receiver, custodian, assignee, sequestrator, liquidator or other similar official of PURCHASER, or of all or any substantial part of its properties, such appointment shall not be vacated or stayed on appeal or otherwise, or if, within ninety (90) days after the expiration of any such stay, such appointment shall not be vacated;

12.1.7 If any of the representations made by PURCHASER in Section 11.1 of this Agreement shall be false or incorrect, in any material respect, and PURCHASER shall fail to cause, within thirty (30) days following notice of such misrepresentation to PURCHASER by SELLER, such misrepresentation to become true and correct as of a date within such thirty (30) day period; or

12.1.8 If PURCHASER shall fail to materially observe or perform one or more of the other terms, conditions, covenants or agreements contained in this Agreement and such failure shall continue for a period of thirty (30) days after written notice thereof by SELLER to PURCHASER specifying such failure, unless and to the extent that such failure requires work to be performed, acts to be done, or conditions to be removed which cannot, by their nature or because of Unavoidable Delays, reasonably be performed, done or removed, as the case may be, within such thirty (30) day period, in which case no Event of Default shall be deemed to exist as long as PURCHASER shall have commenced curing the same within such thirty (30) day period and shall, subject to Unavoidable Delays, diligently and continuously prosecute the same to completion.

Section 12.2 Remedies of SELLER

12.2.1 If an Event of Default by PURCHASER shall have occurred and shall not have been remedied within any applicable grace period provided in Section 12.1 hereof, SELLER shall have the right, at its option, and in addition to all other rights and remedies available to SELLER at law or in equity pursuant to this Section, to terminate this Agreement by giving thirty (30) days' written notice thereof to PURCHASER, and upon the expiration of such notice period this Agreement shall be deemed terminated.

12.2.2 In the event this Agreement shall be terminated by SELLER in connection with an Event of Default hereunder, then, as its sole remedy: (a) SELLER shall be entitled to retain

the Deposit, as liquidated damages for PURCHASER's default; and, in addition thereto, (b) PURCHASER shall pay to SELLER the reasonable costs and expenses, including, without limitation, reasonable legal fees and disbursements, incurred by SELLER in terminating this Agreement, and upon the occurrence of the payments required under clauses (a) and (b) above, neither party shall have any further obligation under this Agreement (except such obligations which survive the expiration or termination of this Agreement as expressly provided hereunder).

Section 12.3 Events of Default by SELLER. The occurrence of any of the following shall be an "Event of Default" by SELLER under this Agreement:

12.3.1 The failure of SELLER to pay any sum to PURCHASER required to be paid by SELLER hereunder when the same shall become due and payable and such failure shall continue for thirty (30) days after written notice from PURCHASER to SELLER;

12.3.2 Failure to proceed to Closing when and in the manner required to do so under the terms and conditions of this Agreement.

12.3.3 If any of the representations made by SELLER in Section 11.2 of this Agreement shall be false or incorrect in any material respect, and SELLER shall fail to cause, within thirty (30) days following notice of such misrepresentation to SELLER by PURCHASER, such representation to become true and correct as of a date within such thirty (30) day period; or

12.3.4 If SELLER shall fail to observe or perform one or more of the other terms, conditions, covenants or agreements contained in this Agreement and such failure shall continue for a period of thirty (30) days after written notice thereof by PURCHASER to SELLER specifying such failure, unless such failure requires work to be performed, acts to be done, or conditions to be removed which cannot, by their nature or because of Unavoidable Delays, reasonably be performed, done or removed, as the case may be, within such thirty (30) day period, in which case no Event of Default shall be deemed to exist as long as SELLER shall have commenced curing the same within such thirty (30) day period, and shall, subject to Unavoidable Delays, diligently and continuously prosecute the same to completion.

Section 12.4 Remedies of PURCHASER. If an Event of Default by SELLER, shall have occurred and shall not have been remedied within any applicable grace period as provided in Section 12.3.3, PURCHASER may, after giving thirty (30) days written notice thereof to SELLER, and upon the expiration of such notice period and SELLER's failure to cure such Event of Default, at its option, (i) terminate this Agreement, in which case this Agreement shall be deemed terminated, the Deposit refunded to PURCHASER, and neither party shall have any further obligations hereunder (except such obligations which survive the expiration or termination of this Agreement as expressly provided hereunder), or (ii) subject to Section 12.6 below and it being understood that Seller shall have no obligation to bring any action or proceeding or to incur and expense in excess of the sum of \$10,000, in both case, to cure any Title Objection, enforce the obligations of SELLER hereunder by legal or equitable action, including by action for specific performance.

Section 12.5 Strict Performance. No failure by SELLER or PURCHASER to insist upon the other party's strict performance of any covenant, agreement, term or condition of this Agreement, or to exercise any right or remedy available to such party, and no payment or acceptance of full or partial performance during the continuance of any Event of Default, shall constitute a waiver of any such Event of Default. No covenant, agreement, term or condition of this Agreement to be performed or complied with by either party, and no default by either party, shall be waived, altered or modified, except by a written instrument executed by the other party. No waiver of any default shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent default.

Section 12.6 Limitation of Liability of SELLER. Notwithstanding anything to the contrary set forth above, PURCHASER agrees that it shall look solely to the interest in the Subject Property owned by SELLER for the enforcement of any remedy or the satisfaction of any obligation or liability of SELLER under or in connection with this Agreement or any other agreement or instrument to be executed pursuant to this Agreement, and PURCHASER shall not enforce any remedy or execute or collect any judgment out of or against any other assets or properties of SELLER. PURCHASER agrees that none of the officers (elected or appointed), directors, members, officials, employees, contractors or agents of SELLER, and none of the members, officials, employees or agents of the County, shall have any personal obligations or liability hereunder or under any other agreement or instrument to be executed pursuant to this Agreement, or by reason of any action taken or not taken in connection herewith, and that PURCHASER shall not seek to assert any claim or enforce any rights hereunder against any of them.

Any amount so paid by SELLER, including all reasonable costs and expenses incurred by it in connection therewith, including reasonable legal fees, together with interest thereon at the maximum legal rate permitted by State law, from the respective dates of the making of such payment or incurring of such costs and expenses, shall be paid within ten (10) days after demand.

WHEREAS, the Agency is unwilling to transfer fee title in the Facility to the Company unless the Company and Indemnitor execute this Agreement and delivers it to the Agency.

NOW, THEREFORE, in consideration of the premises, Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and Indemnitor, intending to be legally bound, hereby agrees as follows:

1. Recitals; Definitions.

(a) The foregoing recitals are incorporated into this Agreement by this reference.

(b) Capitalized terms used herein and not otherwise defined shall have the meaning set forth in that certain Purchase and Sale Agreement, dated as of _____, 2023, by and between Agency and the Company (the “**PSA**”).

2. Representations and Warranties.

(a) Except as disclosed in Exhibit “A”, annexed hereto, each of Indemnitor and the Company represents and warrants that (i) it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous wastes or hazardous substances (collectively, **“Hazardous Substances”**), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or in any other federal, state or local law governing hazardous substances and hazardous wastes, as such laws may be amended from time to time (collectively, the **“Hazardous Waste Laws”**), at, upon, under or within the Facility or any contiguous real estate, and (ii) it has not caused or permitted to occur, and shall not permit to exist, any condition which may cause a discharge of any Hazardous Substances at, upon, under or within the Facility or on any contiguous real estate in violation of any Hazardous Waste Laws.

(b) Except as disclosed in Exhibit “A”, each of Indemnitor and the Company further represents and warrants that (i) it has not been nor will be involved in operations at or near the Facility which operations could lead to (A) the imposition of liability on Indemnitor, the Company or on any subsequent or former owner of the Facility or (B) the creation of a lien on the Facility under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will use its commercially reasonable best efforts to not permit, any tenant or occupant of the Facility to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, the Agency, the Indemnitor, the Company or any other owner of any of the Facility.

3. Covenants.

Indemnitor and the Company shall comply in all material respects with the requirements of the Hazardous Waste Laws and related regulations and with all similar laws and regulations and shall notify the Agency immediately in the event of any disposal, discharge, spillage, release, or threatened disposal, discharge, spillage or release or discovery of any Hazardous Substance at, upon, under or within the Facility in violation of any Hazardous Waste Laws. Indemnitor and the Company shall promptly forward to the Agency, copies of all orders, notices, permits, applications or other communications and reports in connection with any discharge or the presence of any Hazardous Substance in violation of any Hazardous Waste Laws, as they may affect the Facility. In addition to, and without limiting the foregoing, the Company covenants and agrees, at its sole cost and expense to perform and satisfy in full all of the Environmental Obligations.

4. Indemnity.

(a) Indemnitor and Company, jointly and severally, shall at all times indemnify and hold harmless the Agency and the County against and from any and all claims, suits, actions, debts, damages, costs, losses, obligations, judgments, charges, and expenses, of any nature whatsoever suffered or incurred by the Agency and/or the County of Ulster, whether as contract vendor, lessor, lessee, owner, mortgagee, as mortgagee in possession, or as successor-in-interest to Company by foreclosure deed or deed in lieu of foreclosure, or otherwise under or on account

- (1) The Environmental Obligations;
 - (2) any discharge of Hazardous Substances, the threat of any disposal, discharge, spillage or release of any Hazardous Substances, or the presence of any Hazardous Substances (in each case in violation of any Hazardous Waste Laws) affecting the Facility whether or not the same originates or emanates from the Facility or any contiguous real estate including any loss of value of the Facility as a result of any of the foregoing;
 - (3) any costs of removal or remedial action incurred by the United States Government, New York State Government, or any costs incurred by any other person or damages from injury to, destruction of, or loss of natural resources, including reasonable costs of assessing such injury, destruction or loss incurred pursuant to any Hazardous Waste Laws;
 - (4) liability for personal injury or property damage arising under any statutory or common law tort theory, including, without limitation, damages assessed for the maintenance of a public or private nuisance or for the carrying on of an abnormally dangerous activity at or near the Facility; and/or

- (b) In the event of any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Facility, in each case in violation of any Hazardous Waste Laws, whether or not the same originates or emanates from the Facility or any contiguous real estate, and/or if Indemnitor and the Company shall fail to comply in any material respect with any of the requirements of the Hazardous Waste Laws or related regulations, the Agency may at its election, but without the obligation so to do, give such notices and/or cause such work to be performed at the Facility and/or take any and all other actions as the Agency shall deem necessary or advisable in order to abate the discharge of any Hazardous Substance, remove the Hazardous Substance or cure the noncompliance of Indemnitor, all at the sole expense of Indemnitor and the Company.
- (c) Each of Indemnitor and the Company acknowledges that the Agency has relied upon the representations, warranties, covenants and indemnities of Indemnitor and Company in this Agreement in determining to undertake the Project. All of the representations, warranties, covenants and indemnities of this Agreement shall survive the termination of the PSA or related agreements or documents.

8. Waiver by Company and Indemnitor. The parties waive any right or claim of right to cause a marshalling of Indemnitor's assets and/or Company's assets, or to cause the Agency to proceed against any form of security before proceeding under this Agreement against Indemnitor or to proceed against Indemnitor or Company in any particular order. Indemnitor and Company agree that any payments required to be made hereunder shall become due on demand. The Company and Indemnitor expressly waive and relinquish all rights and remedies (including any rights of subrogation) accorded by applicable law to indemnitors or guarantors.

9. Releases. Any one or more of Indemnitor and any other party liable upon or in respect of this Agreement, including, without limitation, the Company, may be released without affecting the liability of any party not so released.

**Re: The Ulster County Economic Development Alliance, Inc. Statutory Notice of
Disposition of Property by Negotiation**

To Whom It May Concern:

Pursuant to Section 2897(6)(d)(ii) of the New York State Public Authorities Law (“PAL”), the following explanatory statement is being provided at least ninety (90) days prior to the final disposition of the Subject Property (as defined herein) by negotiation.

The Ulster County Economic Development Association, Inc. (“UCEDA” or the “Corporation”), a not-for-profit corporation, established pursuant to Section 1411 of the Not-For-Profit Corporation Law of the State of New York, having its principal office at 244 Fair Street, Kingston, New York 12402, expects to enter into a Purchase and Sale Agreement (“PSA”) with I.Park 87 West, LLC, a limited liability company organized and existing under the laws of the State of Delaware, having its principal office at 485 Putnam Avenue, Greenwich, Connecticut 06830 (the “Company”), whereby UCEDA will convey all of its respective right, title and interest in and to the property known as the “Powerhouse” parcel, designated on the Town of Ulster tax map as Section 48.7-1-29.600, together with all structures and improvements located thereon and other rights and property interests appurtenant thereto (the “Subject Property”). The Subject Property, which is a part of the former IBM Tech City Campus, is approximately 7.4 acres in size and contains much of the common infrastructure and utilities needed to operate both the Tech City East and West campuses.

The disposition of the Subject Property is part of the larger re-development of the former IBM site located in the Town and County of Ulster. UCEDA has previously transferred to the Company (including its affiliate, I.Park 87, LLC) title to the Tech City East and the Tech City West portions of the former IBM Tech City Campus, and the proposed disposition of the Subject Property will complete the land transfers necessary for the economic redevelopment of the Tech City Campus.

The Company was selected by UCEDA as developer for the site after UCEDA issued a Request for Expressions of Interest in 2021 setting forth UCEDA's goals and objectives for the redevelopment of the Project Site ("RFEI"). The Company (by and through its affiliate, National Resources, a real estate development and investment firm, also headquartered at 485 Putnam Avenue, Greenwich, Connecticut 06830, that focuses on the redevelopment of former corporate and industrial sites) submitted a response to the RFEI that addressed the requirements set forth in the RFEI. The responses to the RFEI were reviewed by UCEDA which found that, given the experience of the Company, the Company was the most qualified respondent, that the response submitted by Company complied with the requirements of the RFEI, and was superior to any other submission.

On August 16, 2022, the Ulster County Legislature (the "County") adopted Resolution No. 418 (the "Resolution"), which authorized the transfer of the Subject Property to the UCEDA, for the purpose of developing the Subject Property. The disposal of the Subject Property will be by way of the negotiated PSA.

The transfer is permitted pursuant to Public Authorities Law Section 2897 (6) (c) (v) and 7 (a) (iii) and Section 1 G of the UCEDA Property Disposition Policy, which permits disposal of the property by negotiation and for less than fair market value when the disposition is within the purpose or mission of the Corporation. The mission of the Corporation is to promote Ulster County as the premier location to expand and grow business for the creation of wealth, fostering strong, sustainable, diverse economic opportunities for both the County and its constituent communities. The transfer of Lot 600 is a seminal part of the larger redevelopment of the Tech City East and West campuses, the site of a long dormant former IBM headquarters, because it contains much of the common infrastructure and utilities needed to operate both campuses. These campuses require significant environmental remediation and the County took the extraordinary measure of foreclosing on the tax liens encumbering the properties. Following acquisition, the properties (including Lot 600) were transferred to UCEDA for redevelopment. The development of this site will revitalize an important ratable for Ulster County and is projected to create hundreds of new jobs that will expand and grow business for the creation of wealth and foster economic opportunity for Ulster County and the Town of Ulster, all in furtherance of the mission of the Corporation. It should be noted that an independent appraisal for Lot 600 valued the parcel at \$600,000. The purchase price for this parcel is \$300,000. However, the purchase price for Lot 600 should be considered along with the consideration for the Tech City East and West Campuses since Lot 600 is inextricably linked with those parcels, which were sold for their appraised value of \$19 million. In short, the "discount" is 1.5% (\$300,000) of the independent appraised values of Lot 600 and the Tech City campuses (\$19,600,000 versus \$19,300,000).

The sale of the Subject Property is intended to further the public health, safety, or welfare and economic development interest of the County of Ulster and UCEDA, as the developer intends to redevelop the Subject Property in a manner which addresses the goals and objectives laid out in the RFEI and the Zoning Code of the Town of Ulster. The cash consideration will also generate income for UCEDA, which can be used for other economic development purposes. The expected date of transfer is thirty (30) days after the after the expiration of the 90 day Notice of Disposition pursuant to Section 2897(6)(d)(ii) of the PAL.

Additional information about the transaction is as follows:

1. Description pf the parties involved in the property transaction: UCEDA and the Company.
2. Justification for disposition of the property by negotiation: The transfer is permitted pursuant to PAL Section 2897 (6) (c) (v) and 7 (a) (iii) and Section 1 G of the UCEDA Property Disposition Policy, which permits disposal of the property by negotiation and for less than fair market value when the disposition is within the purpose or mission of the Corporation.
3. Identification of the property, including location: Town of Ulster (County of Ulster, State of New York) tax map as Section 48.7-1-29.600.
4. Estimated fair market value of the property: \$600,000, based on independent appraisal.
5. Proposed sale price of the property: \$300,000.
6. Size of the property: 7.4 acres.
7. Expected date of sale of the property: On or after July 5, 2023.

Any questions or comments relating to the disposition may be sent to the UCEDA at the address noted above.

Sincerely,

ULSTER COUNTY ECONOMIC
DEVELOPMENT ALLIANCE INC.
