Hello Samm,

Based on information provided by your office, it appears that EZ Fast Printing will be unable to demonstrate evidence of job creation, which is a requirement of the program in order to meet HUD's National Objective. If a business is unable to meet National Objective, the HTFC would recapture those funds from the County. EZ Fast Printing was awarded \$15,000 and that amount would be returned to the Housing Trust Fund Corporation.

If this is applicable, check repayments must be sent to:

NYS Housing Trust Fund-General

Box 8000 Department 573

Buffalo, NY 14267-0002

*In the [check memo](#) please include the CDBG Project Number# 1160CVSB7-21

Let me know what questions you have.
