NEW BUSINESS

Presentation of 2022 Audit

Discussion: Herb Litts informed the Board that earlier today, the Audit Committee convened to review updated materials for the 2022 audit and tax return. He then asked Amanda LaValle to summarize the updates. Amanda explained that since the previously presented audit, UHY was informed of a credit given to National Resources toward utilities accrued in 2022. This credit was given as a result of storage rents income to UCEDA. UCEDA paid the full amount of the utilities due in full to the County and therefore the credit was used toward the taxable income of UCEDA. The revised amount of tax due was therefore decreased from a little over \$19,000.00 to \$11,863.00. Amanda also noted there was some discussion in the Audit Committee regarding additional deductions which will be discussed with UHY. Herb clarified that the motion in the Audit Committee noted that the documentation was approved with the maximum tax due not to exceed \$11,863.00.

Motion: Ward Todd made a motion to approve the 2022 Audit with a not to exceed tax due of \$11,863.00, seconded by Brian Cahill.

Vote: The motion passed.

Approve Mad Batters Loan Fund Payoff

Discussion: Christopher Jaros provided background on how the payoff amount was reached. Amanda LaValle confirmed that a check was received the day of the UCEDA meeting for the full amount calculated. Amanda also communicated a request from Mad Batters that due to the significant delay in their payoff request being fulfilled, that late fees be waived for the months of September and October totaling \$105.39.

Motion: Brian Cahill made a motion to decrease the Mad Batters by \$105.39, seconded by Ward Todd.

Vote: The motion passed.
